

# Quick Tip Guide

This guide provides quick tips for getting the most out of myRadiologySolutions, the customer portal from Bayer in Radiology.

## Access and Registration

- Find myRadiologySolutions at myRadiologySolutions.Bayer.com or at the link at the top of RadiologySolutions.com.
- Register via the "Login/Register" link.
- If you are a Bayer service customer or under warranty, you can register for full access by clicking "Bayer Service Customer" in the registration form.
- When you register, you will have immediate access to the Events Calendar and some resources in the Learning Academy. After Bayer validates your information, about 24–48 hours later, you will have access to all of myRadiologySolutions' tools.

\* These features are only available to Bayer service customers, or customers under warranty, once registration is validated.

## Service and Support Cases\*

- Find under menu item "Assets & Cases."
- Open, monitor, and review service and support cases for Bayer equipment, software, and clinical services.
- Sort by case number, status, subject, case origin, date opened, and respond to.
- Export information and listing of cases.

CASE NUMBER	STATUS	SUBJECT	CASE ORIGIN	DATE OPENED
