

Introducing Injection System Clinical Applications Support: The Bayer Clinical Performance Center

Injection system questions? We have answers.

The Clinical Performance Center offers ongoing access to specialists who can provide supplemental clinical applications support for the operation of MEDRAD® injection systems.

"How do I store a protocol in workstation memory?"

"I am having trouble with Radimetrics.

How can I get routed to the right Bayer resource?"

Seamless Support, Powered by People

Clinical Performance Specialists are the backbone of the Clinical Performance Center, committed to supporting your needs.
